There have been numerous Rifle and Light Infantry Regiments raised in the early history of the Canadian Army, but many have been disbanded or placed on the deactivated, due to the changing needs of the Canadian Forces. Besides the active units above, the units below were re-designated as armoured reconnaissance, The Halifax Rifles being re-activated and re-designated in 2009, after 44 years on the Supplementary Order of Battle.

The British Columbia Regiment (Duke of Connaught's Own)

(RCAC)
